GLOBAL INITIATIVE FOR SOUTHEAST ASIA
November 2015
Global Initiative ("GI")

- Long-standing programme (19 years)
- Industry and government cooperation to enhance oil spill preparedness
1. Black Sea, Caspian Sea and Central Eurasia (OSPRI): Level 2
2. West, Central and Southern Africa (GI WACAF): Level 2
3. **South East Asia (GI SEA): Level 2**
4. China (GI China): Level 2
5. *Mediterranean*
6. *East Africa*
GISEA

- Launched in March 2013
- 5 Industry Members
- Joint Programme of IPIECA and IMO
- Scope: Oil Spill Preparedness and Response in ASEAN
- Official vehicle to assist in implementation of the ASEAN OSRAP MOU
“GISEA aims to improve the regional capability in Southeast Asia by assisting in the development of national capacities in oil spill preparedness and response through industry and government cooperation”
GISEA Geographic Scope

ASEAN REGION

Myanmar, Lao PDR, Thailand, Vietnam, Cambodia, Philippines, Brunei, Malaysia, Singapore, Indonesia
GISEA Focus

1. Promote ratification of key IMO conventions

2. Assist in the development of national frameworks

3. Strengthen existing regional, subregional and bilateral agreements

4. Encourage adoption of international standards and industry best practices
Potential Activities

- National workshop on IMO conventions
- National workshop to develop/test/update NOSCP
- National/regional workshop on claims/compensation
- Development/implementation of ROSCP
- Training on environmental sensitivity mapping
- Development of response regulation/procedures – e.g. dispersant / controlled burning / SCAT
- OPRC training course – levels 1, 2 & 3
- National/regional table-top incident management exercise
- Joint government/industry full-scale exercise
- Oil spill preparedness review – e.g. RETOS
GISEA 2014 Activities

**Regional**
- ASEAN Regional Meeting (Dec 17-19) for the Implementation of the ASEAN MOU

**Subregional**
- Gulf of Thailand Workshop (Dec 3-4): focus on Incident Management Systems (IMS)

**National**
- Indonesia (Sept 16-18): National Plan
- Philippines (Oct 30-Nov 1): National Plan
Gaps and needs assessment

GISEA as the IMO vehicle to assist in the implementation of the OSRAP MOU

Strategic Framework for GISEA for 2015-2017

Hosted by the Ministry of Transport (Malaysia)
Oil Spill Response Action Plan (OSRAP)

Now known as – “MOU on ASEAN Cooperation Mechanism on Joint Oil Spill Preparedness and Response”

Regional Cooperative Mechanism

Signed by ASEAN Transport Ministers on 28 November 2014

Based on the OPRC Convention

Under the ASEAN MTWG
MOU COMMITMENTS

1. Implementation of IMO conventions
2. Undertake measures for OSP&R
3. Capacity Building
4. Development of a Regional OSCP
MOU COMMITMENTS

5. Sharing of Information

6. Research and Development

7. Promote partnerships
GISEA Strategic Framework 2015-2017

Regional
- Support the development of the Regional Oil Spill Contingency Plan (ROSCP)

Subregional/Bilateral
- Review & strengthening of Subregional & Bilateral arrangements & how they integrate with the Regional Framework

National
- Support Ratification of Conventions (OPRC)
- Support the Review, Update and Development of Contingency Plans
GISEA Activities for 2015

Regional
- Regional Workshop to support the development of the Regional Oil Spill Contingency Plan (ROSCP)

Subregional/Bilateral
- Review of Subregional & Bilateral arrangements

National
- National Workshop to support Cambodia’s development of its National Plan
ASEAN ROSCP WORKSHOP

- Development of the ASEAN Regional Oil Spill Contingency Plan (ROSCP)
- Hosted by the Singapore MPA
- September 29 – October 2, 2015
- 10 ASEAN Member countries
ASEAN ROSCP WORKSHOP

- Draft Regional Oil Spill Contingency Plan (ROSCP) has been agreed
- Action Plan was formulated and agreed
- Draft ROSCP is important as it provides a framework for the ASEAN member countries to cooperate on oil spill preparedness and response
- Promote effective and efficient movement of resources and personnel over borders
Cambodia National Workshop

- Assist in the development of their National Plan
- 42 participants from various government agencies
- Hosted by the Ministry of Public Works and Transport
- Held in Phnom Penh on 15-18 June 2015
GISEA Proposed Activities for 2016

Regional

- Regional Workshop to support the development of the Regional Oil Spill Contingency Plan (ROSCP)

Subregional/Bilateral

- Review of Subregional & Bilateral arrangements

National

- National Workshops to support National Preparedness in Myanmar
The GISEA is a regional model of cooperation under the framework of the OPRC
The main aim of GISEA is capacity building through industry and government cooperation.
GISEA is a response to a need for a renewed and sustained effort in enhancing oil spill preparedness in the ASEAN region.
Thank you!
